Step 10: Return to your desktop and right-click on the patient's folder to send to a compressed folder ("Send to" \rightarrow "Compressed (zipped) folder"). A duplicate folder will be created with either a zipper or a blue "Z".

Note: If following a Dual Scan Protocol, zip scans individually and label accordingly (i.e., "Patient Scan" and "Denture Scan").

Step 11: Upload your case on glidewelldental.com, then click and log in to "My Account".

Note: Use Google Chrome when uploading your case; additionally, if you do not have an account, please contact us and we will set it up for you. Your scan can also be sent on a disc or USB drive via standard shipping methods if digital upload is not possible.
